

# DIVISION FOR LEARNING DISABILITIES

## Regional Conference Loan Application

Regional consortia composed of 2 to 7 subdivisions of the Division for Learning Disabilities (DLD) of the Council for Exceptional Children are encouraged to sponsor conferences cooperatively as a means of disseminating information about educational practices that affect DLD members. A host subdivision should be identified, and the host subdivision will assume the leadership for the conference.

Please complete the following application form and submit it with a written description of the proposed conference.

## GUIDELINES

- DLD makes loans up to \$5,000.
- Regional conferences can be scheduled at any time of the year except one month preceding and one month succeeding the CEC Convention and the annual DLD fall conference, Bridging the Gap Between Research and Practice.
- DLD will support only one regional conference per fiscal year (Jul-Jun).
- DLD will provide technical assistance through the Professional Development, Standards, and Ethics Committee.
- Information disseminated about practices should be based on empirical research or identified to the audience as not being validated.
- After expenses are paid, any additional monies will be divided equally between DLD and each of the consortium members.
